

MANIFESTO

I **Muppirala Viswa Virinchi**, contesting for the post of System Administrator of Hostel 2. If elected, I am proposing to do the following things.

GENERAL

- Ensure proper cleaning and maintenance of computer room coordinating with Maintenance Council.
- Ensure security of hostel property in computer room.
- Ensure that any theft from computer room is punished.
- Ensure the good maintenance of McDonald's and KFC order portals coordinating with Mess Council.
- Ensure the proper working of CC cameras installed in different places.
- Ensure that the LAN vendor comes on time for solving LAN port problems and they are solved in time.
- Will try to resolve LAN complaints immediately when there is an urgency.
- Will ensure that computers in computer room work properly and are secured.
- Ensure the accessibility of Wi-Fi in common areas (lounge, mess, computer room and TV room).
- Will ensure that there is a proper locking system for each device in computer room to avoid theft.
- Co-ordinate and extend my full support to the council members.
- Will make sure that links for the LAN complaint portal and other useful links are publicized properly.

INITIATIVES

- Ensure that there are 4 working PCs in Computer Room by repairing/replacing the faulty equipment.
- Will create a good website for the hostel to be updated regularly with hostel events, mess menu and will introduce online mess rebate portal in it.
- Will include council manifestos, awards archive, inventory and introducing 'Know About Your Room' and FAQ section containing important information in hostel website.
- Will make the present computer room a Computer/Study room and will push for installation of AC in computer room with the help of Institute Academic Council.
- Will push for installation of router in between 2nd and 3rd wing coordinating with CC.
- Will repair the Printer and DVR in the server room.
