<u>Manifesto</u>

I, Rahul Agarwal (140020017), if elected Web and Comp Secretary of Hostel 2, propose to do the following:

<u>Initiatives:</u>

- Have a section on website to maintain **online the lists of books** in the library of our hostel .
- Try to organize a **3-D movie** screening in the hostel in collaboration with SOC secy.

<u>Computer Room:</u>

- Ensure proper working of computers with latest software as per requirements of the hostel.
- Will maintain the cleanliness of the computer room and will also make sure that the rules of using the computer room are followed.
- Will check the conditions of computer on a weekly basis and will solve the problems if it exists, as soon as possible.
- Ensure that the **printer** that is going to be setup be maintained properly and that there is ink and paper in the printer once in a week.
- Will proper security and safety of computer room and equipment in it.

<u>Website:</u>

- Will try to regularly update contents of hostel website like **mess menu**.
- Will regularly update information , photos and results **GC events.**
- Try to publicize various events and programs going on in the hostel throughout the year.

<u>LAN:</u>

- Will publicize the complaint portal so that all people can put their complains about LAN ports there and try to solve urgent LAN problems as soon as possible.
- Ensure that LAN Port complaints are settled during the vendor visits.

<u>Others:</u>

- Ensure the accessibility of **Wi-Fi** in common areas (lounge, mess, computer and TV room).
- Ensure the proper working of **CC cameras** installed in different places.
- Ensure the good maintenance of **McDonald's and KFC** order portals coordinating with Mess Council.

<u>As a Council Member:</u>

- Will actively participate in our hostel events like PAF, VALFI and will ensure proper co-operation with other council members.
- To be an active member of the council and work whenever required.
- Will organize Hostel Gaming Nights events and try my best to publicize it.
